# Existing Conditions

- EMS locations
- Train stoppages

- 1 Circleville Fire Department
- 2 Ohio Health Berger Hospital
- 3 Circleville Police Department

# Existing Conditions

- Purpose & Need Statement –
  - The purpose of the project is to improve mobility for the travelling public (motorists, pedestrians, and emergency responders) in Circleville caused by train delays on the Norfolk Southern rail lines.
  - The primary need of the project is to reduce congestion and improve mobility for the travelling public.

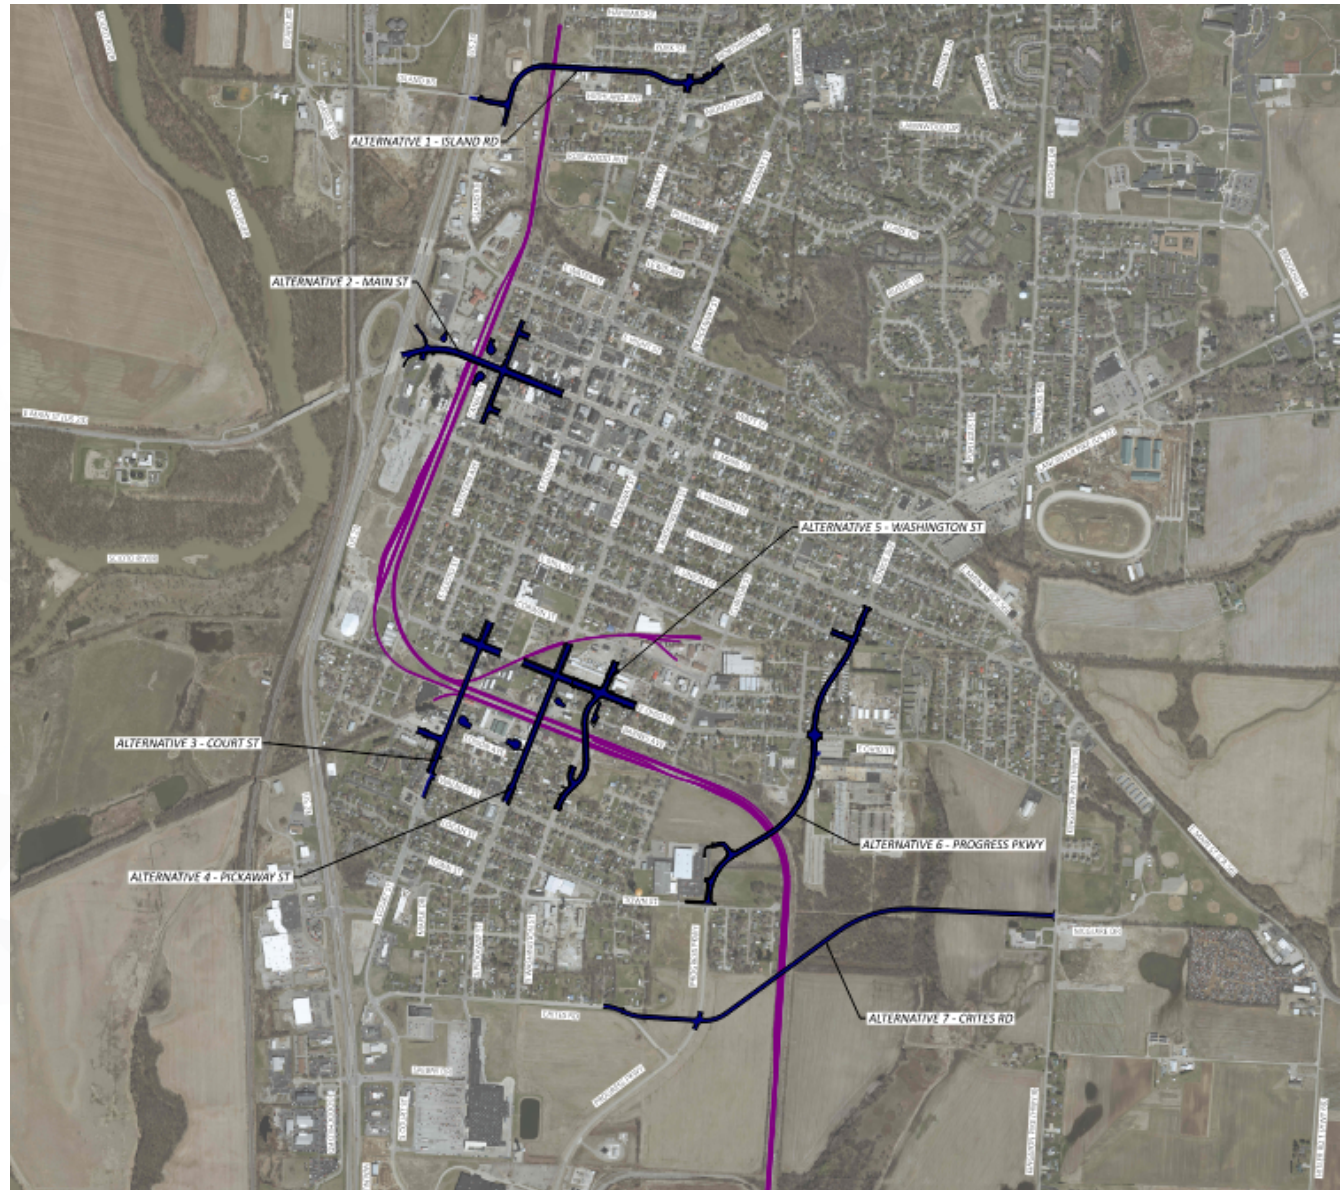

# Feasibility Study Development

- Geographic Information System (GIS) level base mapping
- Traffic and Capacity Analysis
- Typical Sections
- Preliminary Alignment and Profile
- Conceptual Cross-Sections
- Environmental Analysis
- Public Involvement and Stakeholder Coordination

# Feasibility Study Development – Assumptions

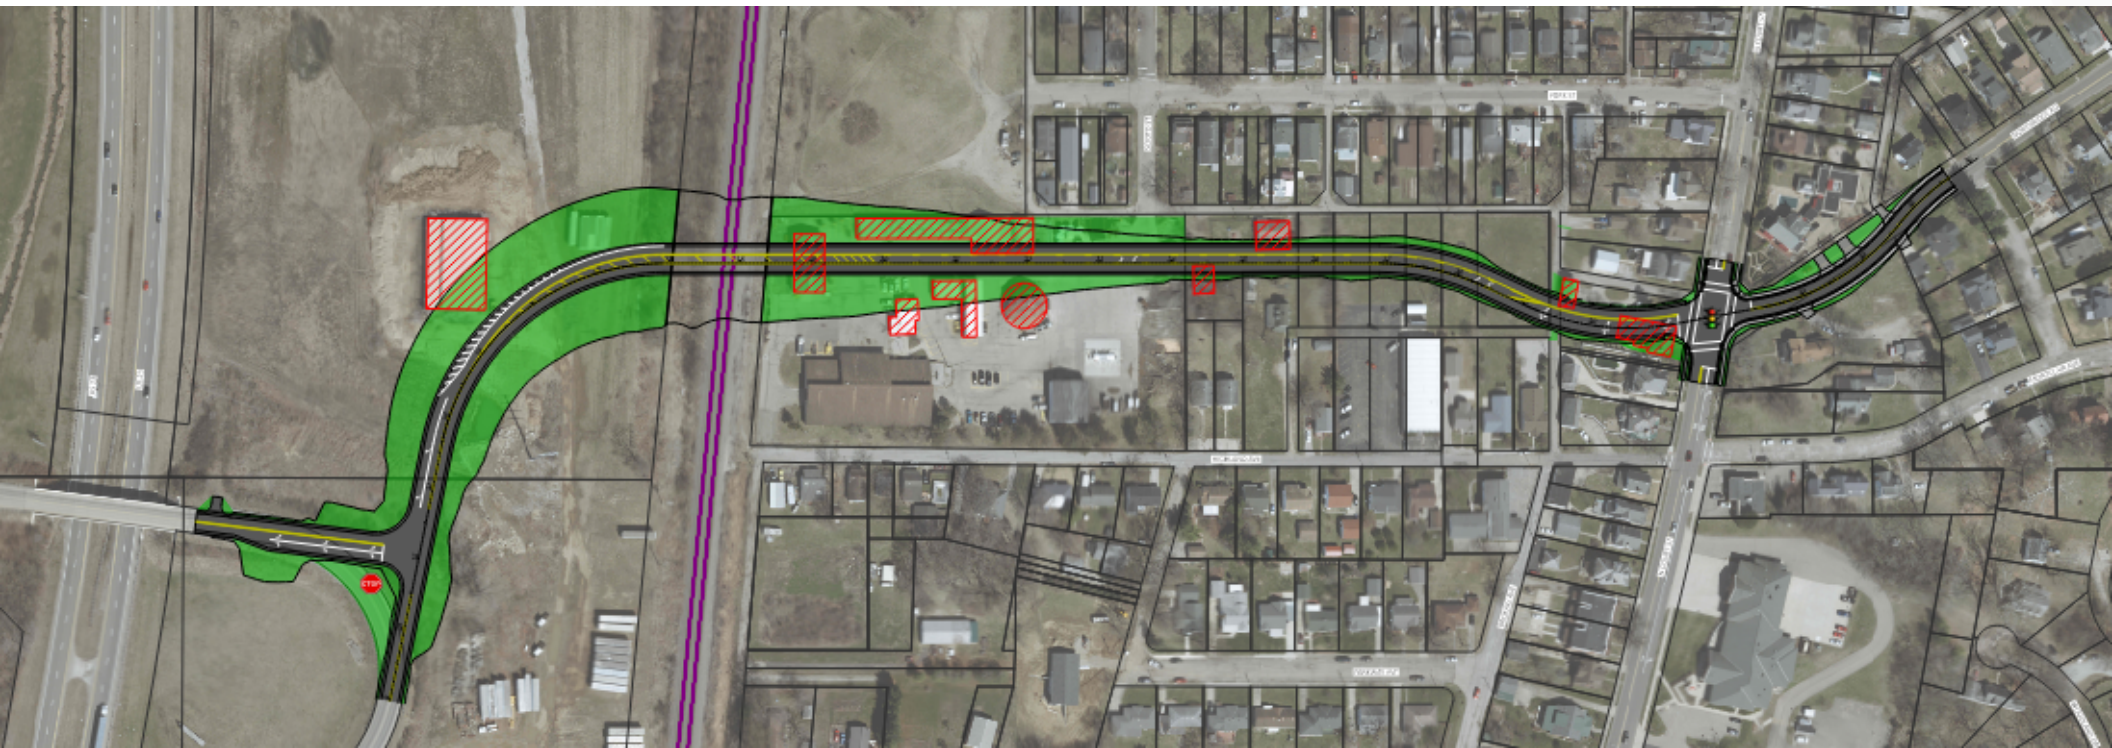

- 5 percent maximum grade for the approaches to the overpass/underpass
- 23.5' vertical clearance over the existing railroad tracks
- Bridge abutments set outside of the railroad Right-of-way
- 25' minimum horizontal clearance from the center of the tracks to a bridge abutment/pier
- City would not be responsible for the relocation costs for all privately-owned utilities.

# Alternative Locations

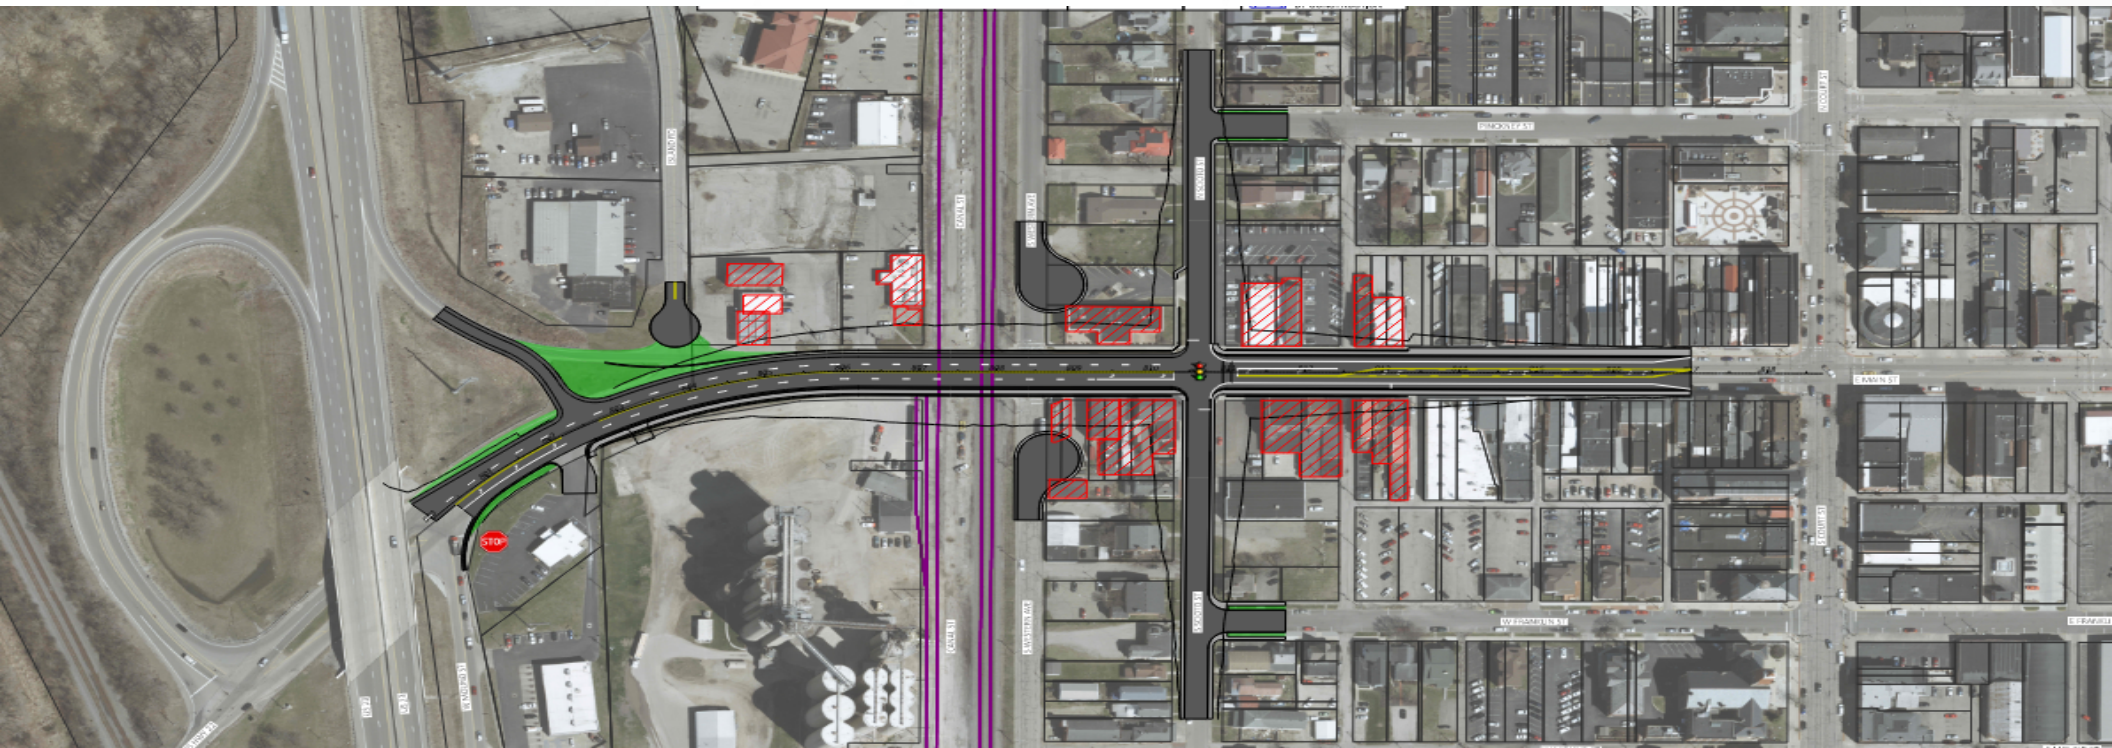

# Alternative 1 – Island Road Extension

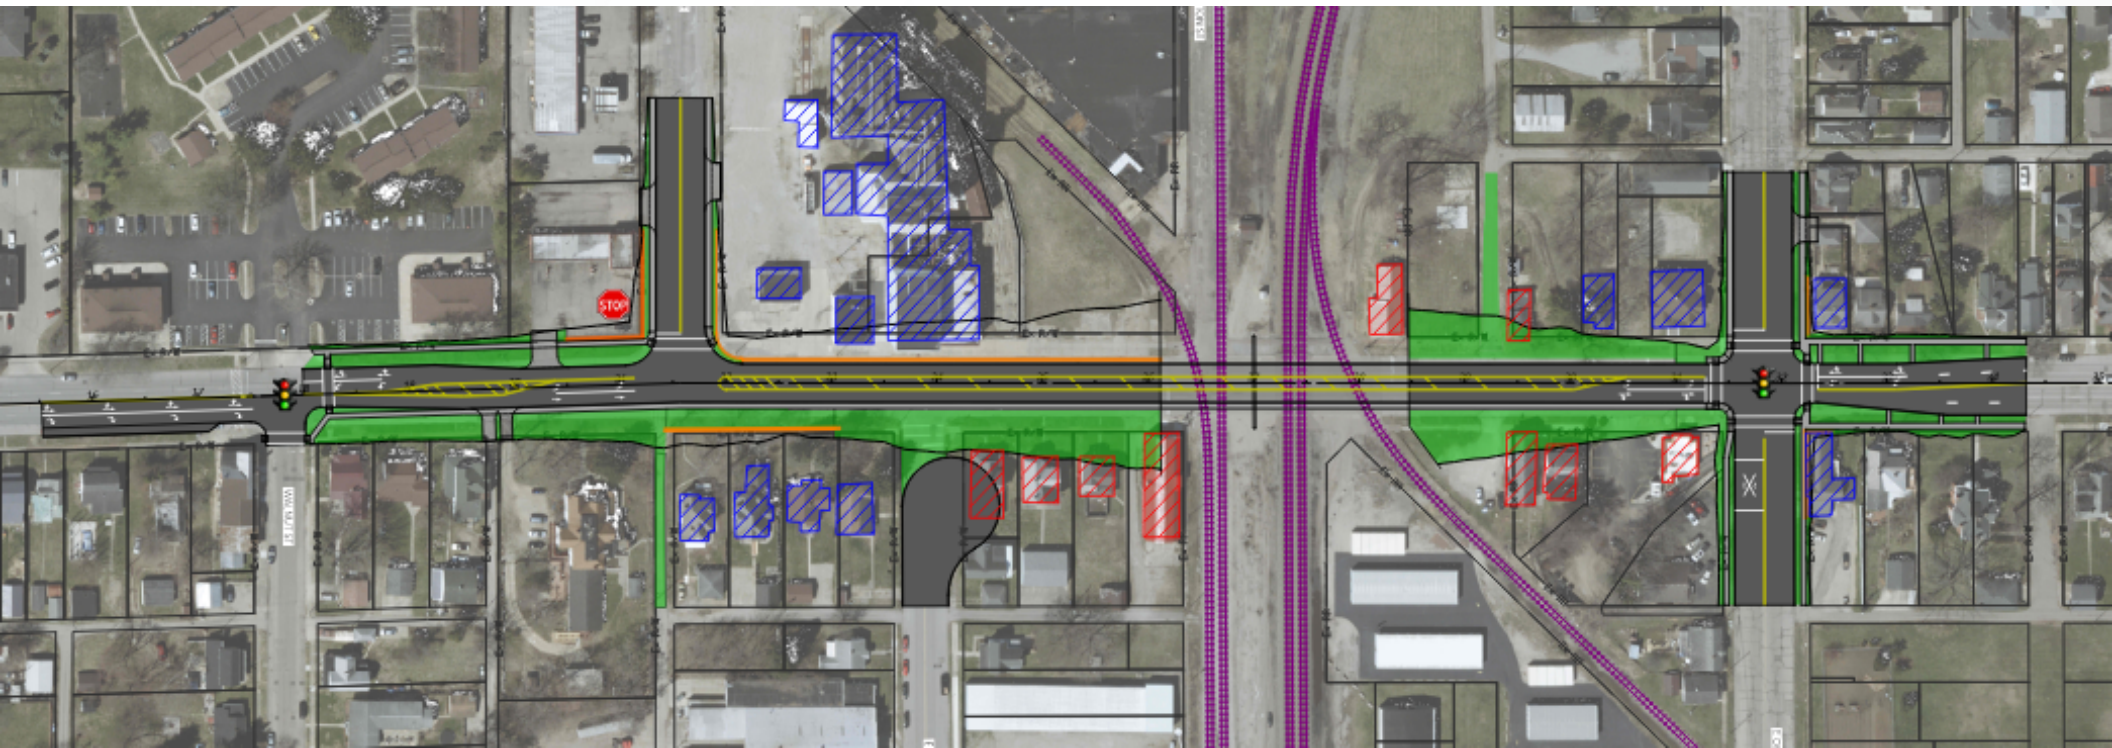

# Alternative 2 – Main Street Underpass

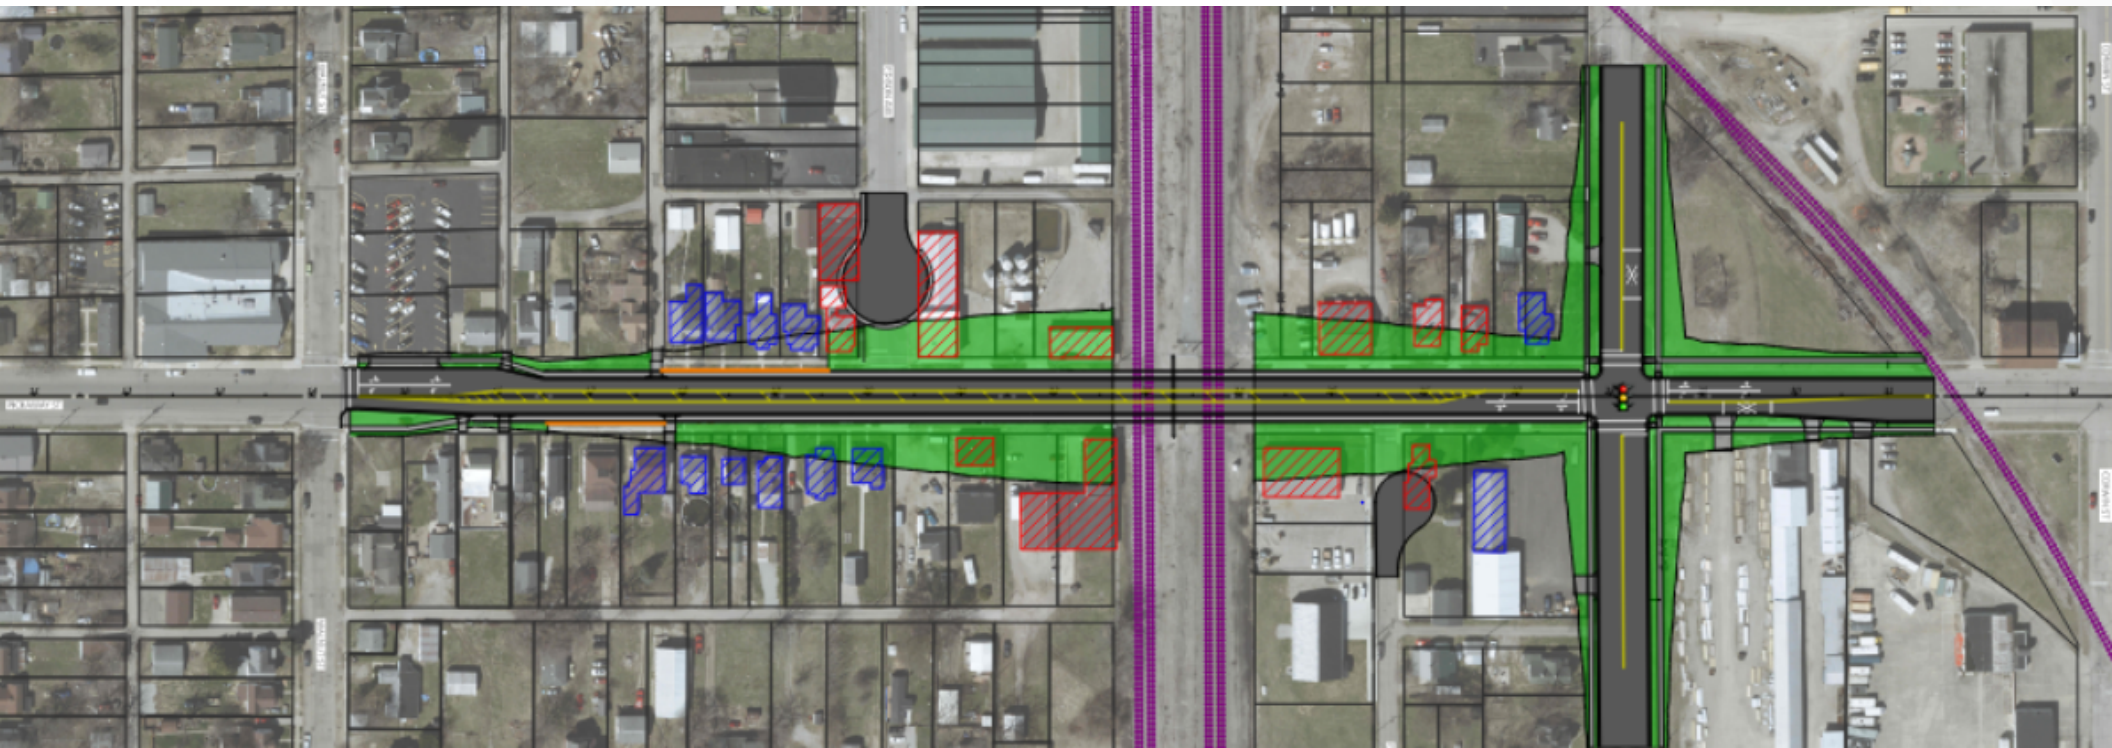

## Alternative 3 – Court Street

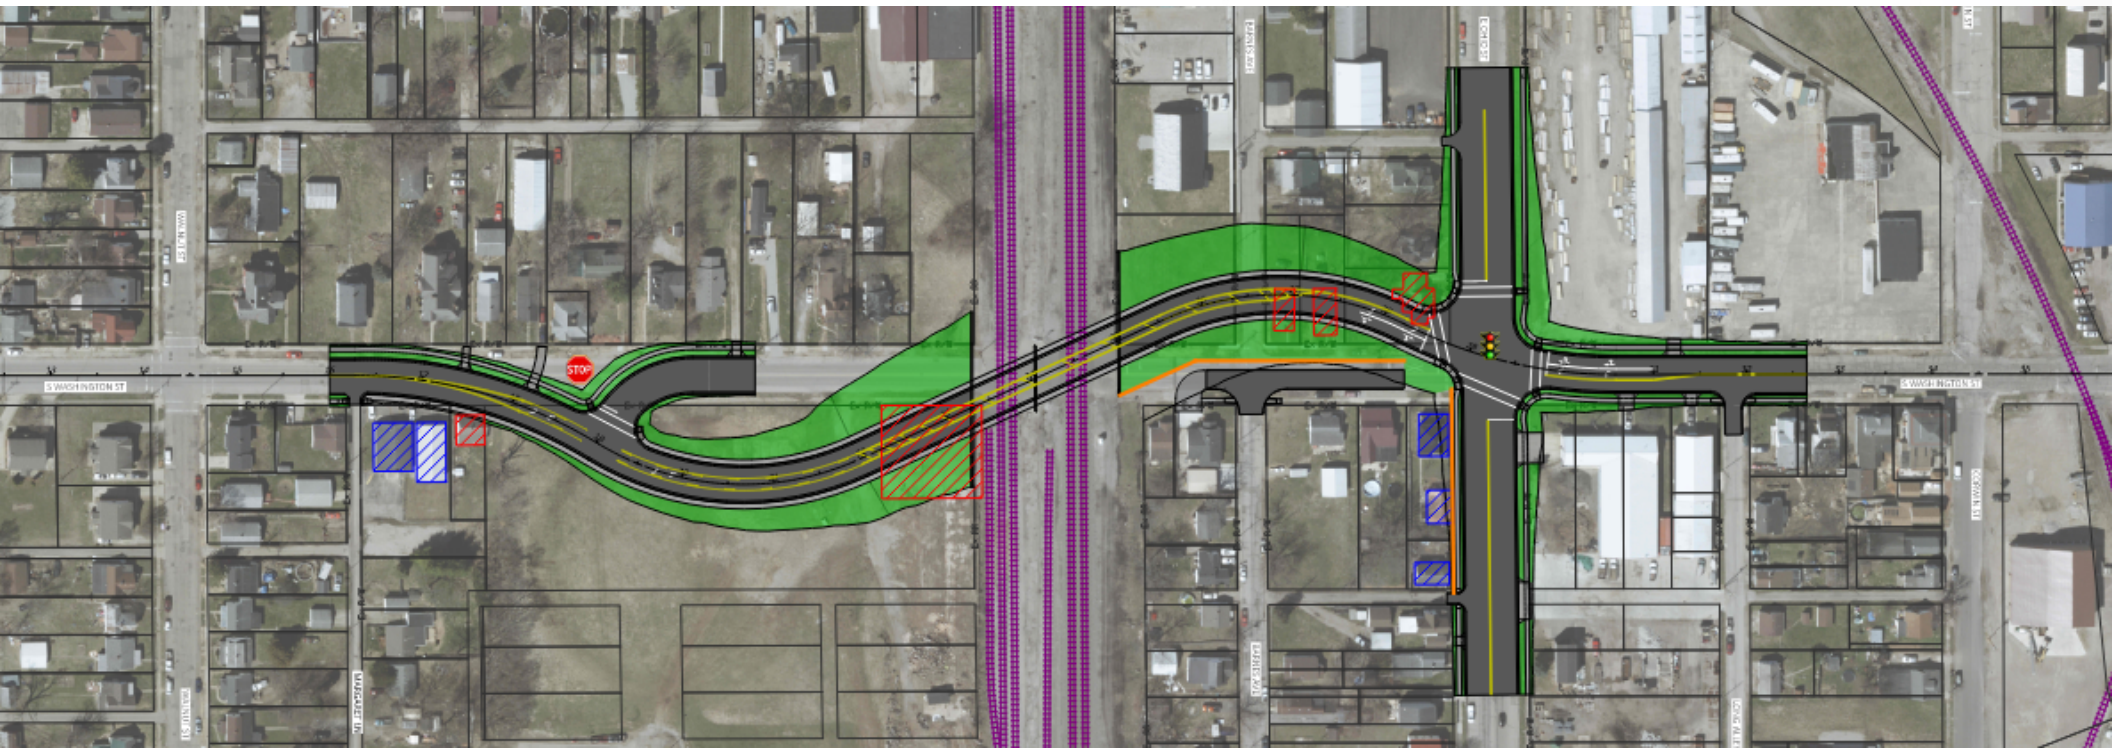

## Alternative 4 – Pickaway Street

# Alternative 5 – Washington Street

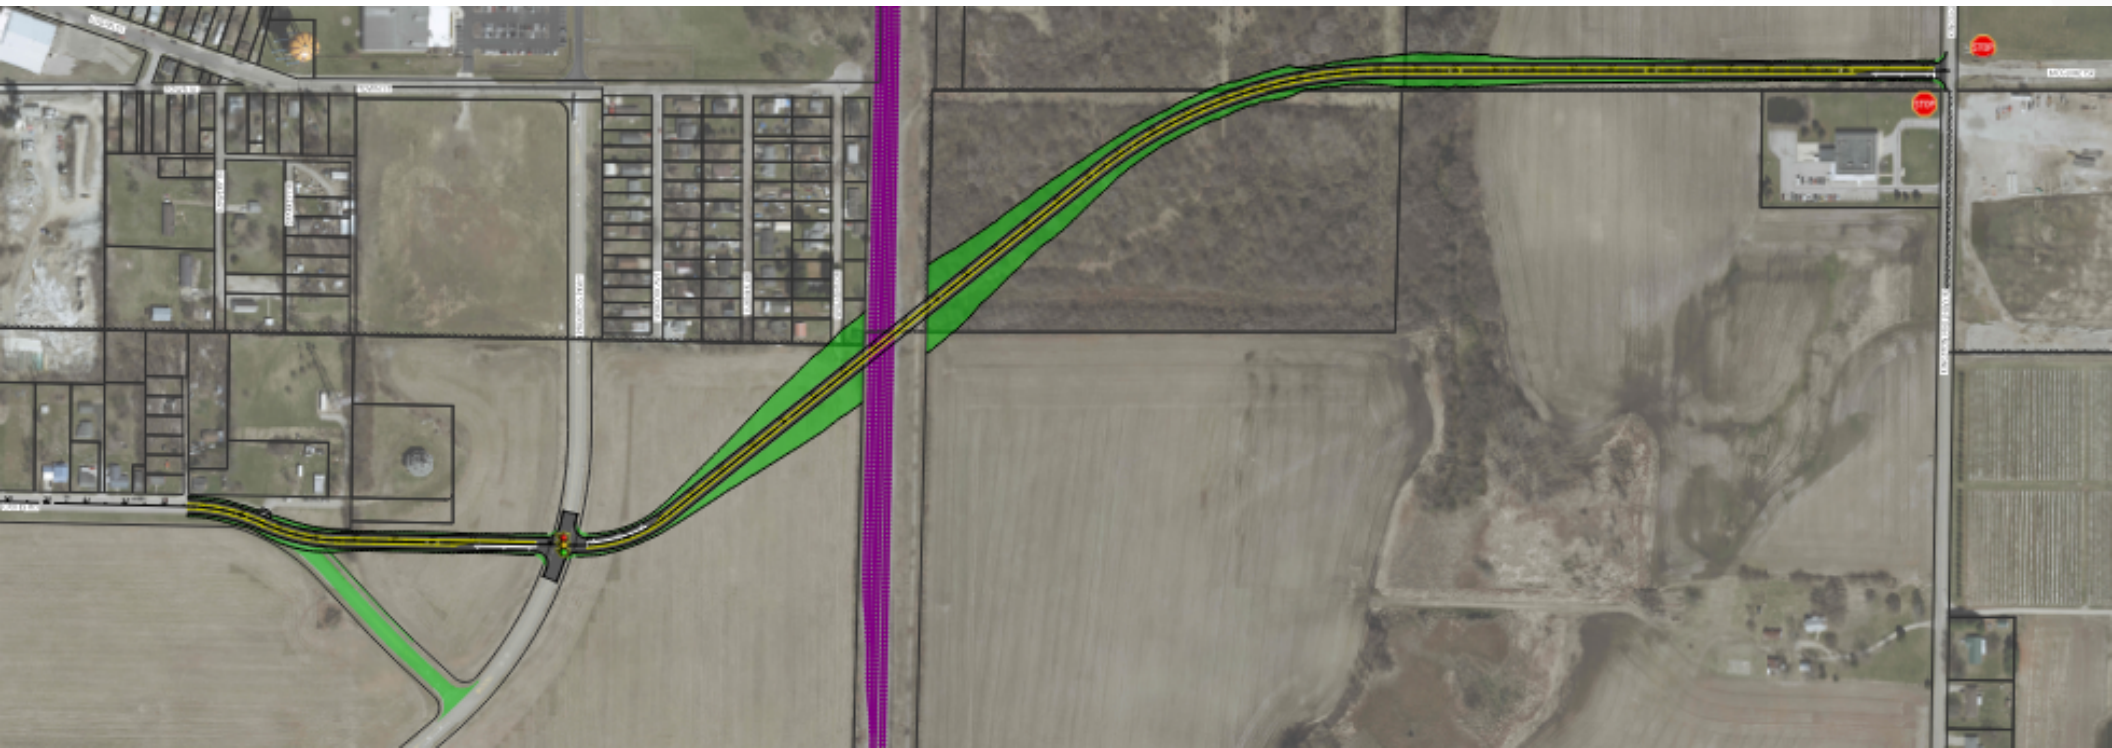

# Alternative 6 – Progress Parkway Extension

## Alternative 7 – Crites Road Extension

# Circleville Railroad Grade Separation Project

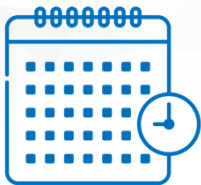

## Call to Action

- Complete the comment form to provide input on the project alternatives
- All comments must be received by April 21, 2023

## Next Steps

- Review public comments on proposed alternatives
- Evaluate any additional proposed alternatives developed during the public meeting
- Develop a feasibility study to determine the preferred alternative
- Present preferred alternative at a future public meeting
- Apply for Funding with Railroad Crossing Elimination Grant

## Schedule

- Second Public Meeting: Summer 2023
- Project Design: TBD
- Project Construction: TBD
