

NOTICE OF PUBLIC MEETING

American Structurepoint Inc., acting on behalf of Warrick County, will convene a public information meeting for the Anderson Road and Vann Road Intersection Improvement Project on **Wednesday, March 22, 2023, at 6:00 pm at the Friedman Park Event Center, 2700 Park Blvd, Newburgh, IN 47630.** The purpose of the public information meeting is to offer all interested persons an opportunity to review and comment on the project.

The need for the Anderson Road and Vann Road Intersection Improvement project is evident based on the poor traffic flow during peak hours. The project is located at the Anderson Road and Vann Road Intersection. The current scope of work will include constructing a single-lane roundabout at the intersection. The intersection is anticipated to be shifted southeast and will consist of a single 16-foot-wide travel lane, 12-foot-wide truck apron, curb gutter, and 9-foot-wide multi-use path on the north side of Anderson Road. The purpose of this project is to improve intersection mobility, reduce accident conflict points, and increase pedestrian safety.

Additionally, the public can view the meeting presentation, exhibits, and provide comments on the proposed project at your convenience, by visiting the project's webpage at www.structurepointpublic.com/andersonandvann. All comments are requested by April 5, 2023.

With advance notice, Warrick County can provide special accommodations for persons with differing abilities, limited English speaking ability, and/or persons needing auxiliary aids or services such as interpreters, signers, readers, or large print. Should special accommodations be needed, please contact Alyssa Damiano, Environmental Specialist, American Structurepoint Inc., at (317) 547-5580, or email adamiano@structurepoint.com by March 13, 2023.

For any questions or comments, please contact Alyssa Damiano, American Structurepoint Inc., at (317) 547-5580, or email adamiano@structurepoint.com.
